

Zapiš číslem počet kopečků (do rámečku podle šipky)

		
		
		
		

Diagram description: A matching exercise. On the left, four ice cream cones are shown in separate boxes. On the right, there is a vertical column of four empty boxes. Arrows connect the cones to the boxes: the top cone (1 scoop) points to the second box from the top; the second cone (4 scoops) points to the top box; the third cone (4 scoops) points to the bottom box; and the bottom cone (2 scoops) points to the third box from the top.
