PSANÍ

 <p>A watering can is positioned at the top of the panel. A dashed line starts from the spout of the watering can and zigzags down to a yellow flower with a pink center and green leaves at the bottom.</p>	 <p>A watering can is positioned at the top of the panel. A dashed line starts from the spout of the watering can and curves down to a purple flower with a green stem and leaf at the bottom.</p>	 <p>A watering can is positioned at the top of the panel. A dashed line starts from the spout of the watering can and goes straight down to a pink flower with a yellow center and green leaves at the bottom.</p>
